Product Menu and Description

- Open session
 - Class Description: Go at your own pace! Sauna and Cold Plunge will be open for your use as you please. Digital timers are provided in both the sauna and cold plunge so you can easily watch your time. Quietly connect with other members or be one with your thoughts. Here, you have the power to create your own experience. Soft Music. No guided breathwork. Staff at hand for verbal guidance and safety. Recommended for intermediate to experienced guests/members.
- Yoga Flow Class Session
 - Unite your body, mind, and spirit with a Yoga Flow session. Alternates between meditation and chakra sessions to help you achieve universal consciousness and understanding. Suitable for any level of yoga experience. Includes the contrast therapy of sauna and cold plunge. Ideal for any experience level.
- Sauna Master Session
 - Class Description: Immerse in a guided MINDZERO experience which incorporates contrast therapy and breathwork through 2 sauna sessions and 2 cold plunges. Concludes with a sauna ceremony- a multi-sensory performance in which one of our MINDZERO Sauna Masters uses aromatherapy and steam, circulating the air with towels to increase the heat and humidity. Recommended for First Timers. Ideal for any experience level.
- Stretch Session
 - Class Description: Experience the contrast therapy of sauna and cold plunge while incorporating gentle full body stretches in the focus room and in the warmth of the sauna to increase overall flexibility while relaxing your mind and body. Recommended for all experience levels.
